ART DECO LAMPEN / LAMPS

Op zoek naar karakteristieke **mondgeblazen Art Deco lampen**? Art Deco Trade heeft naast de Tiffany Renewed collectie een uitgebreide collectie mondgeblazen Art Deco lampen. De unieke modellen zijn gebaseerd op **expressionistische** vormen uit de Art Deco periode, Jugendstil periode en **Amsterdamse School** stijl. Ook zijn er lampen met vormen uit het Functionalisme te ontdekken, waarbinnen **Bauhaus** en De Stijl tot de verbeelding spreken. Deze lampen worden ook vaak herkend als **Gispen lampen**. De Art Deco glaskappen zijn verkrijgbaar in opaal wit glas en kunnen gecombineerd worden met een **pendel, plafondplaat, wandlamp armatuur, tafellamp armatuur** of een **vloerlamp armatuur**, uitgevoerd in **mat nikkel, glanzend nikkel, messing** of **brons**.

Are you looking for distinctive, **mouth-blown Art Deco lamps**? Besides the Tiffany Renewed collection, Art Deco Trade also has an extended collection with mouth-blown Art Deco lamps. The unique models are based on **expressionistic** shapes of the Art Deco period, Jugendstil period and **Amsterdam School style**. There are also lamps with shapes reminiscent of Functionalism, in which **Bauhaus** and De Stijl appeal to the imagination. These lamps are often recognized as **Gispen lamps**. The Art Deco glass lampshades are available in opal white and can be combined with **a pendant, ceiling fixture, wall lamp fixture, table lamp fixture** or **a floor lamp fixture**, executed in **matte nickel, shiny nickel, brass** or **bronze**.

Suchen Sie nach unverwechselbaren, **mundgeblasenen Art-Deco-Lampen**? Neben der Tiffany-Renewed-Kollektion hat Art Deco Trade auch eine umfangreiche Kollektion mundgeblasener Art-Deco-Lampen. Die einzigartigen Modelle basieren auf **expressionistischen** Formen der Art-Deco-Periode, Jugendstil-Periode und **Amsterdamer-Schule-Periode**. Es gibt zudem auch Lampen mit Formen, die an Funktionalismus erinnern, in welchem **Bauhaus** und De Stijl die Vorstellungskraft reizen. Diese Lampen werden oft als **Gispen-Lampen** anerkannt. Die gläsernen Art-Deco-Lampenschirme sind in weißem Milchglas erhältlich und können mit einer **Hänge- oder Deckenhalterung, Wandleuchte Armatur, Tischleuchte Armatur** oder **Stehleuchte Armatur** kombiniert werden, die in **mattem Nickel, glänzendem Nickel, Messing** oder **Bronze** ausgeführt ist.
